

Pinnacle Logistics

Who we are?

Pinnacle Logistics specialises in the door-to-door transportation of bulk liquid chemicals and foodstuffs. Pinnacle Logistics employs people whose experience in the transportation of chemicals is unparalleled. We are able to cater our service to meet the individual needs of our clients by;

- Personalised service – delivery co-ordination and management of ISOs & GP Containers
- DG trained drivers committed to safety, regulatory compliance and excellence in customer service
- High standard of equipment functionality and appearance
- Low loaders, Side loaders & Road Tankers available
- Breakbulk available
- Booking of wharf & rail slots to meet crucial time lines
- Customs House Brokering
- Warehousing of DG & Non DG goods
- Unpacking of containers
- Decanting ex bulk into package commodities available
- Flexi tank installation
- Portable Fall Arrest Platform
- Tank Container Hire

In addition, we also have the ability to deal with any waste requirements you may have from pails & drums to bulk liquids & sludge's through our parent company "Haztranz"

Should you require any additional information or clarifications on any of the above please contact Nicky Myers or Melina Yadkarian at solutions@pinnaclelogistics.com.au
